# About POSRG

## Mission

It is the mission of POSRG to provide every vertical market with point-of-sale (POS) solutions and technology services. We recommend the best possible plan for all IT projects while offering our customers excellent value. Our reputation for featuring economical, innovative products and services paired with eco-friendly practices, is paramount to us. POSRG connects businesses globally with top-level solutions backed by a dedicated and trained workforce intent on delivering the highest quality in the industry.

## Our Story

Nearly 20 years since its inception by proprietor Ken Testa, Point of Sale Remarketing Group (POSRG) has evolved from a local supplier of used point-of-sale equipment to an international powerhouse. Today, we serve thousands of organizations in every major vertical, global-wide.

## How We Work

From the moment each order is placed, until the moment each order ships, we are by your side. As a result, we have earned a tremendous reputation for proactive customer support and 360° client care. Whether you need refurbishment, refreshment, repair, recovery, recycling, or refining — POSRG is responsive with our strategies for maximum ROI.
