POSRG

SERVICES WE OFFER

About Us

POSRG, established in 2005, is a premier point of sale solutions and service provider. We provide comprehensive support while managing all stages of the IT lifecycle, from design to disposal.

We specialize in collaborating with enterprise operations in all vertical markets, from retail and convenience, to grocery and hospitality.

POSRG's customers benefit from our well-established partnerships with industry leading OEMs in hardware and software.

Our tenured team will curate optimal solutions with a boutique-style, personalized approach and exceptional customer service with cost efficiency.

Industries We Serve

- Convenience
- General Retail
- Grocery
