Program eligibility

1. This offer is being made from Zebra Technologies to end users in the form of a rebate for purchases made between January 1, 2026, and December 31, 2026.

2. The Program applies to purchases of new qualifying devices (the "Qualifying New Products"). End users must purchase Qualifying New Products from a Zebra PartnerConnect reseller ("Reseller").

3. The Program website at www.zebra.com/gozebra sets forth the rebate amount associated with the purchase of each Qualifying New Product.

4. For mobile computers, any manufacturers' brand or model of mobile handheld device with a display equal to or greater than 2" is eligible to be traded in.

5. For printers, any Zebra or competitive thermal barcode or card printer is eligible to be traded in but must power up and include the printhead.

6. For scanners, traded-in scanners must be comparable to the one being purchased.

7. For RFID devices, any RFID device from Zebra or any other manufacturer is eligible.

8. For batteries, traded-in batteries must be comparable to the one being purchased and must be a separate line item on the Reseller invoice. Trade-ins from alternate battery suppliers are also eligible for trade-in. Any end user participating in Zebra's battery maintenance or battery refresh programs is not eligible for this Program. Only the charger listed is available for trade-in.

9. The end user cannot combine this with any other offer, promotion, or special pricing ("Special Pricing") provided by Zebra to the Reseller as part of the same transaction, unless otherwise stated by Zebra in the applicable promotion or program. It is the responsibility of end users to verify with their Resellers that such Resellers have not purchased the Qualifying New Products at Special Pricing.

10. Some Qualifying New Products are available only to Resellers that have met certain requirements. If the Reseller you are working with does not have access to a product you want, you may choose to work with a different Reseller for that product purchase.

11. Rebate claims must be completed online, and eligible trade-in devices must be received by Zebra no later than 90 days from the date of your Zebra PartnerConnect channel partner's invoice.

12. If you are registering for a rebate, you will need to submit a copy of the reseller invoice (with serial numbers) showing the eligible Zebra products purchased.

13. Rebates will be issued for each traded-in product, one-for-one, based on the number of Qualifying New Products purchased.

14. The end user may choose to utilize the Program more than one time.

15. Zebra reserves the right to change, cancel, modify or end the Program at any time with or without notice.
